

Health Care Claims Processing: **HOW TO DOUBLE THROUGHPUT AND CUT COSTS IN HALF**

**Are you in the business of providing superior service to your MEMBERS?
Let ICS focus on the paper so you can focus on THEM.**

ICS is the nation's leading provider of Medical Claim Paper to EDI solutions. We combine automation technology and outsourcing services for healthcare plans needing to process 1,000 to 20,000 paper claims per day.

AUTOMATION TECHNOLOGY

- Mailroom CMS 1500 & UB04 form capture to 837
- 90%+ extraction of all form content
- Comprehensive claims tracking
- Adjudication software integration
- Migration from legacy software
- World-class support
- Document management software (cloud option)

OUTSOURCING

- Complete mailroom, paper scanning, and data entry service
- Over 98% claim-level accuracy rate
- 24-48-hour turnaround time
- 2x throughput at 50% of the cost
- Secure U.S. facility
- SOC 2 Type I & II Certified
- PHI & HIPAA compliant
- No off-shore sub-contracting

LET'S TALK.

Certified by OpenText and implemented by Healthcare Plans across the country, **shouldn't you be next?**
